

ENVIRONMENTAL POLICY

Tatawa Industries (M) Sdn. Bhd. strives to be an environment friendly company and is committed to leading the industry in minimizing the impact of operation activities on the environment.

We aim to achieve the above vision by adhering to the following objectives.

- Educate employees to be environmentally conscious
- Actively promote recycling internally
- Reduce waste and any possible environment hazard; minimize toxic emissions through the selection and use of the raw material, chemical and the source of power requirement.
- Take charge by responsibly utilizing the electricity and water.
- Heed the law, fully comply with the environmental legislation, regulations and other requirements relevant to our product and services.
